

Report of Atomic Force Microscope Instruction

- Date and Time : Thursday, 26 April, 2018
(Morning) 9:00-12:00
(Afternoon) 13:00-16:00
- Location : Center for Advanced Materials Research and International Collaboration
- Instructor : Assoc. Prof. Lee Seungwon
- Contents : Method of using Atomic Force Microscope
 - Introduction of AFM
 - Method of using the programmes
 - Method of using AFM
 - Method of setting samples
 - Observing samples
 - Changing samples
 - Analysis method
- Participants : 3 people
