

Feb. 1, 2024

To International Students,

Dean Health Admission Center  
University of Toyama

## **Annual Medical Examination Academic Year 2024**

Our annual medical examination scheduled in April are as below. This annual medical examination conducted to maintain and improve the health of all students on campus. For those who miss this annual medical examination to take, University official Health Evaluation certificate will not be provided during this academic year. Also, students are required to receive the X-ray for the tuberculosis prevention. (If you miss it you may ask to visit a qualified health care provider to acquire a valid X-ray with your expense.) Please ensure that you attend.

**Location for reception : 4/1 Entrance area(1F Lectual Bldg.)**

**Dates other than the above Entrance area (2F Library Bldg.)**

### **List of examinations :**

- ① Chest X-ray
- ② Blood pressure
- ③ Urine analysis
- ④ Physical measurements
- ⑤ Physical examination

### **Notes : Chest X-ray**

- Avoid wearing clothes in heavyweight, prints, embroidery or buttons.
- Only plain T-shirt can be worn.
- Ensure that hair is clear of the shoulder.
